“2006”

January 25, 2006

At the end of every year, I take time to hear from the Lord regarding the next year. He did speak to me about several things coming this year for the Body of Christ. He said ‘2006’ will be very extraordinary, and for many of us, we will see strange things done by His hand. This is not another year of “business as usual”. I believe we will be required to do the “kingdom business” in very strange and unusual ways. Many acts performed for the early believers are going to manifest in our meetings. The days of talking about miracles will be turned into days of seeing miracles right before our eyes. We will no longer send the blind, the lame, and sick away with only prayers. They will walk away totally and completely healed, saved, and delivered! The day of the Word being spoken and instantly manifested are here. The Lord will be listening to our prayers, ever ready to perform His Word.

We have heard over the years “all of creation moans for the manifestation of the Sons of God” (Romans 8:19). Well, now is our chance to “put up or shut up”. We will either speak the Word with signs following or we will have to sit down and let those who will say and do what the Word says rise up. I don’t know about you, but I intend to be a part of this unique and unusual presence of the Lord.

The year 2006 will go down in church history as a phenomenal year for a drastic change in the way we do “kingdom business”. The Lord is giving new orders and instructions for His kingdom to change. I believe He is sending us a new flowchart and with this new chart comes new positions; new positions always bring new responsibilities and anointings. The kingdom anointing is increasing for kingdom governmental reasons in this year. We must remember He is the King and Chief Officer of His own kingdom. We get to be a laborer for Him.

There were many other things the Lord said concerning this year, but I will post those later. I will be sharing with you what He said about “cycles”. For now,

Dr. Jan McNutt, D. Min.

please pray and ask the Lord how you can be a part of this strange and unusual year.

I beseech you to get ready to move out, move on, and move up in the anointing and gifts the Lord has given you and step into the flow of what He is implementing. Until then.....
